TABLE 2: This table includes all school disciplinary absences which include reference to a knife. For these incidents - the reference to knife is more likely incidental than the reason for suspension / exclusion. i.e. 'knife' is included as a verbal threat only or in association with the real reason for the SDA. An indicator of this could be where the SDA Reason for these incidents is Verbal or Non Verbal Misconduct or Substance Misconduct. An example could be: "I am going to bring my Dad's pocket knife to school"
