Hello s47(3)

The Department and Payne Road SS are in agreement of the water and sewerage infrastructure.

A site meeting has been arranged for Wednesday 6th February at 1:00pm at Payne Road SS.

To discuss access requirement and easement regulations with representatives from Infrastructure, Real Estate and the school.

Please give me a call if you require any additional information.

Kind Regards,

Queensland
Government

Hi Michael

The school is agreement for this construction to proceed. A number of plans for noise reduction and safety of children was discussed during the initial phase of this planning that we would like to ensure was maintained and continued in this revised plan for construction.

Dear Mr Byrne,

I refer to the above matter and the correspondence below from Natell O'Donnell from the Department of Education with respect to granting an easement for water and sewerage infrastructure from a proposed development at 159 Payne Road through Payne Road State School.

Would you mind advising the necessary steps that need to be undertaken to coordinate this process.

We would be grateful if you could provide your instructions as soon as possible.

Regards
